DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: A thorough search of the prior art fails to disclose any reference or references, which, taken alone or in combination, teach or suggest, in combination with the other limitations, offering at least one proposition bet that the final hand composition will match a particular one of said plurality of preselected combination of cards after said initially dealt cards are dealt and prior to replacing each card not held.

This is interpreted to mean that the player must choose a particular winning combination for the proposition bet. Thus if the player is initially dealt a hand containing three jacks, he is offered the opportunity to bet on which of the possible winning hands he may receive upon discarding the unmatched cards. Thus he must specify whether he is betting he'll get a full house or if he'll get four of a kind.

The prior art teaches a proposition bet that he will match some random hand. In other words, the player does not specify a particular winning hand.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
